

ASCOM SE550 4M MICROPHONES

Back in stock!

Brand new replacement microphones now in stock for ASCOM 4M radios.

Replace that tatty frayed ASCOM microphone with one of these new replacement microphones. These microphones have been specially made up for the ASCOM, consisting of an excellent new Sharman's dynamic first microphone, 1 Metre curly lead and the unique ASCOM 8 pin plug.

Sold on an exchange basis for £8 each or £10 each if you don't have an ASCOM microphone to trade in. P&P extra but you can collect from RADARC club meetings or from RG6 7PD by arrangement.

All proceeds go to RADARC club

If you would like one contact Chris (G0JTN) or Vin (G4JTR) at the club or by email
